What we do

Mary's Meals sets up school feeding programs in some of the world's poorest communities where poverty and hunger prevent children from gaining an education.

It's a simple idea that works. In partnership with local communities, we provide daily meals for hungry children in a place of education, bringing them into the classroom where they can find a route out of poverty.

Our school feeding programs reach children in 18 countries – Benin, Ecuador, Ethiopia, Haiti, India, Kenya, Liberia, Lebanon, Madagascar, Malawi, Myanmar, Niger, South Sudan, Syria, Thailand, Yemen, Zambia, and Zimbabwe.

With 67 million primary school-age children currently out of school globally and many more attending classes too hungry to learn, our work is only just beginning.

Working together for change

Most of our work is done by tens of thousands of volunteers around the world. It is thanks to their generous commitment that we can feed more than **2.4 million** children every school day, helping them to learn, thrive and work towards a brighter future.

Mary's Meals is a global movement of people from all walks of life, united by the belief that no child in this world of plenty should endure a day without a meal. We believe that everyone can play a part in this mission.

Our work is named after Mary, the mother of Jesus, who brought up her own child in poverty. We consist of, respect and reach out to people of all faiths and none.

It costs just
\$31.70
to feed a child for
a whole school year.

**"If you cannot feed a
hundred people, then
feed just one."**

Our vision

Our vision is that every child receives one daily meal in their place of education and that all those who have more than they need, share with those who lack even the most basic things.

Our mission

Our mission is to enable people to offer their money, goods, skills, time, or prayer, and through this involvement, provide the most effective help to those suffering the effects of extreme poverty in the world's poorest communities.
